

The sweet sounds of life

Have you heard? Vision and hearing loss often go hand-in-hand. Seniors¹ and diabetics² are likely to experience both sensory impairments. Research also shows that more than 36 million US adults, including nearly 20% of people in their 20s, have some degree of hearing loss.³

At EyeMed, we're all eyes and ears about your employees' health and wellness. That's why we teamed up with Amplifon, the nation's largest independent hearing discount network, to add affordable hearing care to every EyeMed vision benefits package.

WITH AMPLIFON, MEMBERS RECEIVE:⁵
